In The News Again

We were in the news again. Greg Cox wrote an article in the News & Observer Food section titled "Triangle's Italian restaurant options expanded" and he included our company in this article. It is a very well written article and we are honored that he contacted us for an interview. This article appeared in the September 9th, 2007 issue of the N&O.

For those of you who may have missed it you can read it online at:

We are anxious to get noticed by Food Network. What a wonderful treat that would be for little old Zebulon, NC if we were to be able to get one of the Food Network hosts out here featuring all of the wonderful food establishments. So keep your fingers crossed that someday we just might catch the eye of someone at Food Network.....we wouldn't be at all disappointed if any of our satisfied customers sent some suggestions in on our behalf either. <hint hint> Yes, that was a mighty big hint there wasn't it?

Anthony is a senior now

Anthony (17) Kyle (6)

It's so hard to believe that Anthony is now a senior in High School. It won't be long before he's off to college. It seems like just yesterday that we started this business for him. He was only 13 years old at that time. And now, he's 17 and towers over me.

Anthony has figured out that he loves baking and cooking. Candy and chocolate making isn't his cup of tea. But he does help out with the business more than anyone knows. And everything he does is absolutely out of this world. He does all of our baked goods now. And he's always coming up with new things to offer.

He will be starting in the culinary program next year at Wake Tech. From there he'll go on to specialize in whatever aspect of the culinary industry he so chooses. I'm kind of hoping he'll go on to become a great pastry chef (yes, I'll gladly volunteer to be his taste tester LOL).

Please remember when you're ordering from The Chocolate Works you're also helping to support and nurture a fine young man's dream to become a great chef.

Chocolate Festival

The Chocolate Festival was a huge success. We met a lot of wonderful new people. And had the opportunity to taste and sample some absolutely delicious chocolates....besides our own that is. The festival tickets were sold out and there were over 500 in attendance. We will be sending a check over to the NC State Women's Center for a % of our sales at our booth. We had a wonderful time and

look forward to doing it again next year. Also watch our website for a special "Pink" section that will soon be available. 15% of all sales generated from that section will be going to help the fight against breast cancer.

The Chocolate Works is pairing up with Designs by Donna in Knightdale to offer our clients the best of both traditional gifts. Any of our clients that would like to send both chocolates and flowers can make arrangements through us by calling 919-269-0819. We are happy to be able to offer beautiful floral arrangements in addition to our fabulous chocolates for a special gift, closing basket, or any other occasion you need a gift.

One of life's greatest pleasures is....CHOCOLATE!!!!

This has been our motto from the date we opened our business. Chocolate is known for its mood lifting qualities. So why not spread cheer this holiday season and bring some pleasure to someone else's life by sending them a box or basket of fine handmade gourmet chocolates? One of the greatest joys we get from this business is the beautiful smiles we see every day when someone eats our chocolate.

If you know of someone's favorite chocolate treat please be sure to call us as we are more than happy to customize any of our chocolates with custom flavor blends. What a unique gift.....a box of chocolates that is made

Delicious Hot Spicy Cocoa
